Josh and his wonderful team provided a wonderful meal for our wedding on the 2nd July. We had a beef roast and 2 sharing tables. The food was 1st class. Our guests said "it was the best wedding food they had ever had". The trio of puddings were amazing and in the evening we had the street pizza oven. Everything was delicious. The staff were fantastic and from the start when we first met the team to the finish it was faultless. We would 100% recommend them.

Thank you again
Clive & Michelle Fletcher

Wedding *Breakfast*

Food_24/25

A traditional wedding breakfast typically refers to the meal served to guests following the wedding ceremony. The term "breakfast" is actually a historical reference to the first meal of the day, which used to be the time for weddings in earlier times.

The wedding breakfast can take place at any time of day, and the menu can vary depending on the couple's preferences and cultural traditions. However, in a traditional British wedding breakfast, the meal typically consists of several courses.

Typical packages look like

- 2 courses
- 4 canapés & 2 courses
- 3 courses
- 4 canapés & 3 course

& include

- Setting up the service area
- Modern crockery
- Polished cutlery
- Professional chefs
- Waiting staff
- Your very own catering manager for the day

However at venues where we are preferred caterer other things are included such as kitchen hire & glassware
