# How does it work?

---

Entertaining at home or in the garden with friends, family or clients can be exhausting with all of the cooking and clearing up. Quite often it means you don't actually have the time to enjoy yourself or the company of those you've invited.

## **We can provide a full, professional set up...**

We can come to your location and set your garden catering display up for you to wow your guests!! Please see below to see what this will include.

---

### **Included in your pricing is;**

### **On the day**

- Us coming to you to set up
- Full buffet presentation kit
- Utensils
- Crockery & cutlery
- Disposable napkins
- Menu signs
- Rubbish removal from our set up
